RESOLUTION

On the Agreement in the Sphere of the Mandatory Civil Liability Insurance of the Owners of Road Transport Motor Vehicles

The Baltic Assembly,

— **recognizing** the necessity to create better conditions for the communication and mutual contacts of the population of the Baltic States,

recommends that the Governments of the Baltic States conclude a mutual agreement stipulating that the policies on mandatory civil liability insurance of the owners of road transport motor vehicles issued in any Baltic State be effective in all the Baltic States in which such insurance has been prescribed.
